

A Unique Concierge-Style Production Experience

WELCOME TO MAPS PRODUCTION HOUSE

Inspired by the industry he loved, Paul Lardi created MAPS to provide production support for photo and video shoots. Over 20 years later, MAPS Production House has grown into a global production leader

“
A POLISHED,
REPUTABLE STAFF
WHO WILL PROVIDE
PEACE OF MIND
THAT NO DETAIL
WILL BE MISSED.
”

with exceptional customer service and unique studio and event facilities that are unparalleled in the industry.

Our stunning and diverse spaces allow our clients to create the perfect atmosphere for every

shoot. All of our studios feature large cyc walls, catering space amenities, and drive in capabilities. Our in-house equipment rental department services all of our venues, and our production staff can handle your shoot from start to finish, giving clients one single point of contact for all services.

At MAPS Production House, you can expect to work with a polished, reputable staff who will provide peace of mind that no detail will be missed. Our years of experience in production make it so all you have to do is create.

STUDIO 255

Designed to bring Miami's beautiful daylight indoors, Studio 255 is a photo studio & event space in the heart of the Wynwood Arts District. Two indoor stages with sliding doors offer versatility for photo shoots, commercials, films, and events. Custom LED lighting and a sleek modern kitchen make 255 a blank canvas with style.
